## Terms and Conditions of the Warranty Certificate

No: WCGB141003A

### The Warranty means

Failures of the Item resulting from a defect in materials of the engine and alternator (which were specified on this warranty certificate with serial numbers) of the Item used for standard off grid applications and backup power by the first user, mentioned as Client in this warranty certificate for a period of ONE calendar year from the date of issue of the Item and or 1,500 hours, whichever occurs first.

### Common Terms and Conditions

- 1 The Terms and Conditions of this Warranty as against the Item sold herewith shall be limited to as contained in this document and no other representation, terms, conditions or provisions either written, issued or otherwise, which also include any third party like Dealer's (refers to the Distributors, Retailers, Specialist, Agents and any other Representatives) declarations or promises, shall be accepted.
- 2 SICHER industrial generator set (hereinafter referred as "GenSet") sold to the client, is free from any defect in material and workmanship at the time of sale, issue, delivery and or installation (if the installation is carried out by the Company's Specialist (refer to the Authorized Technical Expert)).
- 3 The Item is tested for its performance before the sale and as well as after the installation if the installation is carried out by the Company's Specialists.
- 4 SICHER industrial engine refers to the serial numbered engine mentioned on this warranty certificate. SICHER GenSet is powered by Ricardo, NTDEC and Cummins Engine models of the original manufacturer's specifications of the respective engines.
- 5 SICHER industrial alternator refers to the serial numbered alternator mentioned on this warranty certificate. SICHER GenSet is powered by Stamford Alternator models of the original manufacturer's specifications.
- 6 This warranty is limited to the territorial and geographical boundaries of Sri Lanka.

- 7 This warranty is in addition to warranties and conditions implied by statute and other statutory rights and obligations that by any applicable law cannot be excluded, restricted or modified ("mandatory rights"). All other warranties or conditions, expressed or implied (by statute or otherwise), are excluded.
- 8 This warranty is expressed in lieu of any other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, except SICHER engines' emission-related components warranties for new engines, where applicable. Remedies under this warranty are limited to the provision of material and services, as specified herein.
- 9 To the extent permitted under the mandatory rights, the Company's liability shall be limited at its option to (a) in the case of services, the supply of the services again or the payment of the cost of having the services supplied again, and (b) in the case of goods, the repair or replacement of the goods, the supply of equivalent goods, the payment of the cost of such repair or replacement or the acquisition of equivalent goods.

### The Client's Responsibilities

- 1 Notify the Company within 3 days when the failure is observed.
- 2 Operate and maintain the Item in accordance to the operational manual of the Item and other published guidelines provided by the Company, if any.
- 3 Provide access to the Item and the electricity panel boards.
- 4 Provide sufficient access to and reasonable provisions to remove the Item from the installation in the event of a failure.
- 5 The Client will also be responsible for Incremental costs and expenses associated with Item removal and reinstallation resulting from reinstallation.
- 6 Costs associated with rentals of or replacement of alternate generator sets that may be required by the Client during the process period of repair to the Item.
- 7 Costs associated with labor overtime and premium shipping requested by the Client.

## Terms and Conditions of the Warranty Certificate

No: WCGB141003A
